

## Chem Timber Company SIA

Granīta iela 32k-1 Acone, Salaspils pagasts,  
Salaspils novads, LV-2119, Latvia

The timber treatment operations of the named company  
(above) have been audited against the

# WPA Benchmark Quality Approval Scheme

requirements for APPROVED **TREATER**.

This company is certified for the treatment of wood for:

Use Classes 2 and 3

NOTE: Under the terms of the Benchmark APPROVED **TREATER** Scheme, this company has been approved as being capable of producing treated wood suitable for the Use Class(es) stated here, but the treated wood itself has not been assessed. Assessment of treated wood is available under the Benchmark APPROVED **PRODUCT** Scheme.

Clarification of the scope of this certificate and the WPA Benchmark Quality Approval Scheme is available from the Wood Protection Association.

The Scheme does not confirm compliance of the preservative used with British Standard or other specifications - that is the responsibility of the preservative manufacturer.
